Vision
An inclusive community in which all people have the opportunity to fulfil their unique potential.

Mission
CODA Inc. is committed to providing our clients with a range of quality, community based support programs which are flexible, accessible, affordable and safe, while promoting each persons’ independence and value as a member of the community.

Our Values
All organisations have a culture which is built on shared values of its people. These values guide us in all our decisions and are fundamental to compliance with the CODA Inc. code of conduct:

- Respect
- Integrity
- Honesty
- Independence
- Empowerment
Chair and CEO Report

There is an old saying that nothing remains constant but change itself and CODA’s journey through the local and nation-wide launches certainly supports this adage. We have been wending and weaving to both substantial external and internal changes and our staff are becoming experts at change management and transformation!

We adjusted well to the NDIA Launch in Barwon and were well placed for the nation-wide launch rolling out from July 1 2016. However the roll out generated unexpected changes to our processes and interface with a new NDIA service booking and invoicing portal, increasing the administrative time required on an ongoing basis. The new service booking process, designed to increase flexibility for participants and certainty for organisations, only seems to have increased both communication needs and stress, as an inflexible system struggles to cope with participant choice and control. Our clients and families are also experiencing changes to their relationships with the NDIA as the Local Area Coordinator model is rolled out through the region. Whilst we still agree with and support the principles of the NDIS, CODA will continue to strongly contribute to peak body lobbying regarding NDIS pricing and short term accommodation allocations as we have in previous years and now, regarding increased and unnecessary administrative burdens when the sector is under pressure to work in an ‘efficient’ pricing model.

CODA farewelled Trish Stephens and Marg Carter from our Board and welcomed Karen Brady, Ross Suares and Ed Morrissy, with Ed accepting nomination to the Chair. Our dedicated leader of 26 years, Jacqui Suares retired, presenting us with the challenge of keeping the ethos of our organisation as we navigate a competitive market. Monica Provan agreed to formally take on the role of CEO in February 2017.
Progress against CODA’s Strategy and Business plan 2016 -2019 has been slow but steady as we respond to the requirements of our clients and the NDIS. We have been working through the assessment and registration process for Specialist Disability Accommodation payments, which will support some of the maintenance costs of our residential services. CODA’s services to children and group outings grew rapidly, resulting in the development of a new team. Many of our clients also continued to extend their service provision with CODA, resulting in a recruitment level unprecedented for CODA. The LEAP shop staff participated in the design of a pictorial till, resulting in our supported volunteers taking a stronger role in retail transactions.

Our Quality and Compliance manager, Sue Gregory, continues to improve upon our policies and processes supporting both clients and staff, focussing on our induction and orientation processes this year. Jennie Woods continues to put in a concerted effort to grapple with the financial systems with Jan Verouden joining CODA to work through increasingly complex claiming processes. Wendie Fox joined the administrative team, bringing a great range of new skills, allowing Kat Bryan to focus specifically on IT and Infrastructure. Kat is currently working on our Client Management System and its interface with NDIA systems. Claire McKie digitally archived 30 years of documents before heading off overseas. Denise White took on the Intake and Assessment processes, supporting our new clients as they seek CODA’s services and providing feedback to Service Coordinators and the NDIA on their progress.

CODA’s expenditure has been greater than usual with the investment in twelve new staff, new office space, residential developments, and the increasing administrative burden under the new scheme. The increase in expenditure over and above our income is likely to continue in 2017-18 as we continue to progress the development of Thomas Street and expand the LEAP shop. Our Strategy and Business plan now also includes a greater focus on examining the viability of different types of services that CODA provides, with each service unit having their own business plan and budget to work against, linked to the broader organisational plan.

“Growth requires investment in infrastructure and people.”
Our staff and board have decided that we don’t want to stop responding to our local families and individuals when they are in the most desperate of need, so expanding our LEAP shop of recycled and upcycled goods will be a priority over the next few years. We ask that you support our shop by donating your unwanted items of quality, so that we can continue to provide support until funded services can commence.

Some of our clients and staff participated in research projects during the year, including the Working Together project with National Disability Services and the Choice Control and the NDIS with University of Melbourne. These projects are important works that capture experiences from the participant perspective and we hope that the outcomes are noted and acted on by the NDIA in their continuous improvement practices.

Our thoughts were with the Jalmah residents and staff for the changes in their lives as one of CODA’s first residents, Heather Purdey moved to Tasmania to be with her family and passed soon after. We saw the benefits of the NDIA funding which allowed Heather to move to be near her family for the last few months of her life.
We acknowledge the continued dedication and fortitude of our staff to manage these continuous changes to our working environment. Our gratitude is extended to our service supervisors, Mitzi Featherstone, Kerrie Black, Renee Wilson, Sue Gamble, Kath Dixon and Carla Marshall and the team leaders that stepped up to support the supervisors as we reshuffled responsibilities; Bernice Reynolds and Jo Cook. Many thanks also go to Mitzi for taking on an additional supporting role as the Accommodation Practice Manager.

We appreciate the continued and knowledgeable support of both Jacqui Suares and Phillipa Watt and hope we are not imposing on their well-deserved retirement too much. We also wish a wonderful retirement to Kath Dixon, who established our successful Launch Pad team. We shall miss her dedication to her role and the clients she supported. We would like to thank our board members for continuing to support the leadership team as we endeavour to work through considerable challenges.

Ed Morrissy, Chair & Monica Provan, CEO

15,326 hours of supports provided to clients through the Launch Pad and Individual Support programs between 2016 and 2017.
“I love working with the guys, Simon’s always good for a giggle.

When I wake Simon up in the morning, the first thing he says is “Breakfast Please”.

Jason — CASS House Support Worker
CASS House

CASS House is a home with 24 hour care for five residents with an intellectual disability or acquired brain injury. Our aim is to provide a home that is happy, stable, safe and enriching for each individual, while delivering quality support appropriate to each individual’s needs.

Achievements and Activities

- New equipment purchased, including a manual wheel chair and a custom made recliner chair.
- Minor kitchen upgrade including added storage space and a dishwasher.
- Construction of a vegetable garden in which residents grew zucchinis, broccoli, spring onions, rhubarb, lettuce and strawberries.
- Many people visited our residents, including family members, friends, health professionals and board members.
- Residents enjoyed many culinary delights created using the vegetables harvested from the garden.
- Purchase of new outdoor setting which has been enjoyed by all.
- Construction of a vegetable garden in which residents grew zucchinis, broccoli, spring onions, rhubarb, lettuce and strawberries.
- Many people visited our residents, including family members, friends, health professionals and board members.
- Residents enjoyed many culinary delights created using the vegetables harvested from the garden.
- Purchase of new outdoor setting which has been enjoyed by all.

It is hoped that in the coming year there will be funds available through DHHS to undertake some much needed upgrades to the house fabric.

This will be my last annual report as Supervisor, I would like to take this opportunity to thank the staff for their dedication to our residents and their willingness to always go above and beyond to ensure our residents receive the best quality of life and support possible.

I would also like to extend a warm welcome to Bernice Reynolds, who will be taking up the role of Supervisor.

“It’s been an absolute pleasure to be part of such an amazing team.”
Brendan’s Goal
To access the community, specifically the Library to learn how to use the computers.

Our role in supporting achievement
CODA has supported Brendan to work towards achieving his goal by providing transport and working with him to learn how to log onto the computers, navigate the internet and create a social media account.

“I love going to the Library and getting on the computer.”
Individual Support

Individual Support is a team that assists a number of clients to live independently within the community. Our clients largely make their own life decisions and are able to advocate for themselves. We aim to uphold the rights, dignity and self-determination of each client in the least restrictive environment possible and to be accessible and flexible to support their rights and needs.

Achievements and Activities

- Seven new clients have engaged Individual Support services.
- Provided 8,128 hours of tailored support to individuals.

- Supported clients to:
  - Develop healthy meal plans within budget.
  - Undertake weekly shopping.
  - Prepare meals and store appropriately.
  - Attend medical appointments.
  - Undertake personal banking and shopping.
  - Two clients enjoyed independent vacations, while others enjoyed outings including attending AFL football games, the 20/20 cricket and the Rodeo.

- Client success - Andrew achieved his goal of attending an AFL football match in which his much loved team, Hawthorn played.
- Worked with clients to create greater awareness of what makes a safe home for them and the staff supporting them.

Our clients enjoy being part of their community and are supported to participate in various activities and volunteer groups including the Lions Club, local football clubs, Antz Pants Theatre Group, Thumbs Up (Band) and All Abilities Netball and Cricket.

“I’m really proud of my team, they go above and beyond.”

Sue Gamble
“I love Michael living in our house, I like him living with us, he’s my friend. He sits beside me at the table. He loves talking to me.”

Mary — JALMAH resident
Jalmah

Jalmah is a shared supported accommodation house which provides 24 hour care for five residents. The aim of Jalmah is to provide quality support incorporating assistance with developing living and social skills. Jalmah promotes and encourages community participation and inclusion for residents. All residents actively participate in decision making processes related to their day to day activities and those of the house.

Achievements and Activities

- Construction of a new covered area at the year of the yard.
- Attended country and western afternoons, enjoyed lunches out, shopping, visits to the movies and day trips away on program break.
- In February we welcomed a new resident, who has settled in well.
- All the residents enjoyed support from their families, and spent varying times with them during holiday breaks and weekends.
- Supported residents to attend to their own personal banking, shopping, health appointments and individual activities.
- Replacement of the dishwasher, making doing the dishes so much easier for all.

Heather Purdey

Heather, an original resident of Jalmah for more than 35 years, passed away in March this year with her loving family by her side. Heather is fondly remembered, not only as resident of Jalmah, but along with her mother Freda as key founders of the Colac Hostel Association, which later became CODA Inc. A truly remarkable woman who will be missed.
I’m looking at Pluto, it’s a pinky red dot that twinkles you see with a naked eye but you can see actual Pluto if you look through the telescope.

Joshua

Joshua’s personal goal
To move out of home.

Our role in supporting achievement
CODA has provided support for an independent living trial. A trial allows individuals to explore their skills in a safe environment and develop short term goals to focus on.

Joshua has been exploring his financial management skills and is enjoying making financial decisions with a telescope being recently purchased.
Langdon House and West Street

Langdon House provides short term accommodation services to clients with intellectual, physical and sensory disabilities living in the community. It also provides clients with a supportive space to develop independent living skills and opportunities for social and other learning experiences.

West Street aims to provide an immersive environment for clients to build on initial independent living skills acquired at Langdon House or at home.

Achievements and Activities

- Visual aides developed and displayed throughout the house to assist with greater independence with daily tasks.
- Construction of large carport for our bus, which provides shelter while accessing vehicles and at the same time space to enjoy outdoor activities.
- One client has transitioned to West Street and is being supported to further develop independent living skills.
- Continued success of the vegetable garden has seen bumper crops, with clients involved in the planting, harvesting and cooking of a selection of vegetables.
- Clients previously supported at Langdon House have furthered their independent life journey by taking up permanent residential opportunities in the community.
- Attended the annual rehearsal for Carols by Candlelight in the Domain.

This last year has seen Langdon House welcome many new faces. It is great to see some of our other services utilising the space during the day.

Many clients have participated in creating their own art work, which is displayed throughout the house creating a sense of connection to the house for clients.

“Langdon House has a new vibe and it’s great to see so much art work displayed, it gives the house a sense of warmth and sunshine”
Jayde

Jayde’s Goal
To participate in social activities that will support her independence and learning.

Our role in supporting achievement
CODA supports Jayde to attend weekly community singing sessions at Corangamarah, Mercy Place and Barongarook Gardens by providing transport and skilled support. Jayde is supported to interact with a wide range of personalities and also experiences the value of volunteering and bringing joy to others.

“I love my Thursdays, we gosinging with Pam.“
Launch Pad

The Launch Pad provides support to clients with a focus of learning and capacity building. The Launch Pad offers group and individual support including swimming, art, technology, physical fitness and life skills including targeted in-home supports and development of social skills.

Achievements and Activities

- Established group based outings at the request of clients.
- Improved independent living skills assessment.
- Generated new business requiring a split into two groups with the new group being Recreation, Specialist and Children’s Services.
- Supported a number of individuals to achieve personal goals including:
  - Improved clarity of speech (in conjunction with Jalmah staff).
  - Weight loss.
  - Independent cooking.
  - Implementation of smart technology.
  - Independent travel skills.
- Provided 7,198 hours of tailored support.
- Established independent living trials.
- Improved home safety checklists.

The Launch Pad aims to build confidence, empowering and skilling people in ways that give more choice, enrichment, independence and promote informed decision making.

“The Launch Pad is an awesome opportunity to work with fabulous people, to find their strengths, build on them and provide opportunities to enrich their lives.”

Kath Dixon
Brooke

Brooke’s goals

To get a job in a place where she is valued and supported in a variety of roles and to identify money.

Our role in supporting achievement

CODA has provided an opportunity for Brooke through the LEAP shop to participate in retail training and learn valuable workplace skills. Support staff have worked with Brooke to enhance her employability skills and Brooke is learning to distinguish between different coins and notes.

“Watching Brooke’s confidence grow using the new technology has been rewarding.”

Carla — LEAP Shop Supervisor
The LEAP Shop

The LEAP Shop is a recycled goods store, which stocks clothing, home-wares, toys and fashion accessories. The LEAP principals are: Learn, Engage, Achieve, Participate.

The LEAP Program provides a space where people can:

- Learn and practice new skills, including those which may lead to employment.
- Engage in the community and practice social inclusion.
- Have a retail outlet for their artistic creations.
- Generate income that will assist the organisation to achieve its mission.

LEAP encourages volunteers to provide service and interact with the customers who come in to the shop and also to participate in social activities when friends call into the shop for a visit. Participants learn employability skills such as how to manage the stock in the shop and how to keep the work environment clean, tidy and safe for customers and clients.

Achievements and Activities

- Design and purchase of new touch screen cash transaction terminal, a huge success with volunteers.
- Expansion of shop floor space, allowing more stock to be displayed.
- Purchased price gun for attaching price tags to clothes.
- Continues to support the Launch Pad’s art technology program by providing a point of sale for pieces created in the program.

The future holds exciting times ahead; we are in the process of finding another location that can provide us with more space to expand our shop. A larger space will allow us to consider other opportunities like selling furniture and electrical goods.

“In the slow times there are always things to do, it's a great time to practice money handling and recognition skills.”
Aaron

Aaron’s goal
To increase his independence in the home and community and to learn his address and phone number.

Our role in supporting achievement
CODA staff have worked consistently and patiently with Aaron to increase his independence through shopping skills, social interaction and learning his address and phone number.

“I’m so pleased he finally has his own life he loves, there were times I didn’t know if that would happen.”

Rachael — Mum
Recreation, Specialist and Children's Services

Recreation, Specialist and Children’s Services is a new service stream established in late 2016. The new service recognises:

- The growth in requests from families for a range of specialist and children's services that support activities outside the family unit and provide parents and siblings with a break from their caring role.
- The specific skills required to successfully support people on the autism spectrum or those requiring positive behaviour supports.

Achievements and Activities

- Establishment of the Butterfly girls groups. There are two groups of four girls who meet weekly.
- Continued to deliver positive behaviour supports to identified clients.
- Coordinated outing opportunities available to all clients. Outings include travelling by train to Melbourne to see the Aladdin Musical and the Aquarium.
- Establishment of the Brick Masters boys group. This group has eight young boys who meet weekly.
- Continuation of the children’s school holiday program.
- Establishment of the young mens’ social group. This group has three young men who meet weekly. This group provides an opportunity for these young men to socialise in environments that may not normally be accessible to them and to discuss topics of interest.
Quality and Compliance

Quality and Compliance are not the most obvious nor interesting areas of operation for most people within an organisation, however the Quality and Compliance work that goes on in the background ensures that we can continue to provide quality services to our clients in these changing times. By ensuring that our policies and procedures are up to date, operational process and service delivery is compliant with national standards and legislation, we provide support and guidance to our staff and valued clients whilst also ensuring that everyone is in a safe living and working environment.

Achievements and Activities

- Staff handbook updated.
- Continuous improvement and refinement of new staff induction procedure implemented.
- So far 19 new staff have completed or are progressing through their induction.
- Workplace Health and Safety Training, transfer from paper based to electronic reporting system on SupportAbility.
- 10 Complaints received and closed.
- 48 policies, procedures and other documents have been created, reviewed, updated or removed from dKnet.
- Commenced reviews of all Position Descriptions to update and reflect current practices.
- 11 Compliments received.
- 38 staff attended Accident Incident Reporting training on SupportAbility.
- Six staff members successfully completed a five day Health and Safety Representative training course.
Staff Milestones - Certificates

Congratulations to the following staff on reaching significant milestones in the last financial year.

- Sandy Barber - 20 year certificate of service
- Matthew Wallace - 10 year certificate of service
- Margaret DeLorenzo - 10 year certificate of service
- Christine Milner - 5 years certificate of service
- Sue Gamble - 5 year certificate of service
- Laura Bamford - 5 year certificate of service

“I’ve come so far in five years, the leadership and support provided has been invaluable.”

Sue Gamble

“Working with CODA is rewarding and enriching”
Claire

Claire’s goal
To increase cooking skills and learn new recipes.

Our role in supporting achievement
CODA has supported Claire by working with her to plan menus, shop and learn healthier cooking skills.

“I like how the staff help me to learn new recipes and how to prepare all ingredients the right way”
